## »»» GMAIL EMAIL ADDRESS ISSUES

Recently, we are having issues with Gmail (Google) email addresses. Our emails are not going through, especially our B&D Updates. We are working with our IT technicians and Google to rectify this. It is going to take time, therefore in the interim, here are a couple things you can do to make sure emails from B&D are landing in your Gmail inbox:

1. Click the gear icon in Gmail and select "See all settings" from the Quick settings menu.
2. Navigate to "Filters and Blocked Addresses" in the top menu.
3. Select "Create a new filter."
4. Add @bondanddevick.com in the "From" field.
5. Click "Create filter."
6. Check "Never send it to Spam" in the checkbox.
7. Click "Create filter."

Another thing to note, please do not flag an email from us as spam, if you wish to stop receiving emails, simply reply to the email. You may see some communication emails come from our Bond&Devick Gmail email account as we work through this issue. Thank you!
